MESSAGE FROM THE OHIO MASONIC COMMUNITIES CHIEF EXECUTIVE OFFICER

Dear Valued Supporters and Community Members,

It was a monumental year for The Ohio Masonic Communities. 2024 brought us the highest of highs with joy, laughter, and friendship. Unfortunately, it didn't come without the lows of sadness and grief. On good days and bad, it's an honor to serve our residents, staff, and communities, living our mission to help them thrive.

Living our mission is only made possible through the generosity of our donors. Whether it's a financial donation, or one of time or talent. It's our committed supporters who inspire us and allow our communities to flourish.

This report highlights what our supporters made possible in 2024. It contains the numbers of how many people were impacted and how much support was given. But it also contains stories. Stories that show what it means to live our mission. Stories that illustrate the personal, life-changing impact each supporter has.

As you read this report, I hope you will be inspired by the ways our communities are thriving. If you have supported us with time, treasure, or talent, we offer our sincerest thank you. You are a special part of making each of these stories and each of these successes a reality. We celebrate the good works you make possible. If you are not a current supporter, I hope this report will inspire you to be a part of helping our communities prosper here at The Ohio Masonic Communities.

Everyone connected with The Ohio Masonic Communities, whether a resident, staff, client, volunteer, or donor, plays a unique role in our mission. Thank you for the part you play in helping our communities.

I hope you, and our communities, thrive in 2025.

Best,

Scott Buchanan
Chief Executive Officer
The Ohio Masonic Communities

STRATEGIC PRIORITIES

At The Ohio Masonic Communities, there are three strategic priorities that guide every decision we make. These priorities ensure that each endeavor aligns with our mission and helps our communities thrive.

1

Organization of Choice – to be known throughout our communities for the high quality of care and services we provide.

2

Employer of Choice – to care for our teams the way they care for our residents and community members.

3

Financially Independent – to operate with a balanced budget that minimizes debt, strategically use the generous support we receive, and provide millions of dollars of charity to our residents and communities.

MISSION

At The Ohio Masonic Communities, we live our Masonic Values by serving as a trusted partner to help our communities thrive.

MISSION IN ACTION

At The Ohio Masonic Communities, our mission is to live our Masonic Values to help our communities thrive. Living our mission takes on many shapes, including providing high quality care to our senior living residents and offering support to those in our communities. But, sometimes our mission in action goes a little higher – all the way to the sky – because when our residents have a dream, we think the sky is their only limit. We'll do whatever we can to bring their dreams to life.

Shirley's Dream

Shirley is no stranger to having big dreams. Many years ago, she and her late husband created a bucket list of the things they wanted to do, like visiting all 50 states. At 93, the last item on her bucket list was to take a hot air balloon ride.

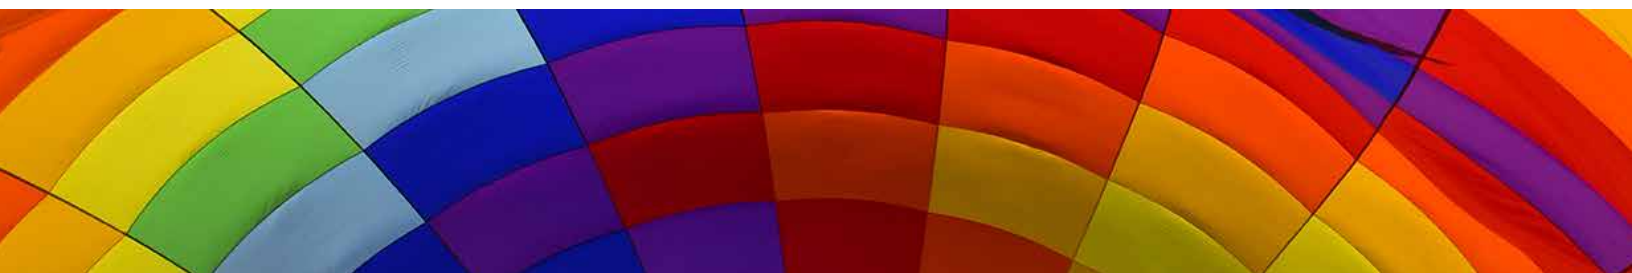

When our team heard about her dream, we knew we had to make it come true. In October 2024, with her family by her side, Shirley completed her bucket list. Her son, who had flown in for the occasion as a surprise, even got to ride in the balloon with her.

After the flight, Shirley reflected, "The flight was so smooth and quiet, not bumpy at all. I am so grateful. This was just wonderful!"

As the evening came to a close, Shirley was brought to tears reminiscing on how beautiful the experience was. But, she wasn't the only one – there wasn't a dry eye around. Just a few weeks later, Shirley passed away on what would have been her and her husband's 72nd wedding anniversary. It was an honor to not only know and care for Shirley, but to make it possible for her to complete her bucket list.

Shirley's story is the perfect example of what it means to live our mission at The Ohio Masonic Communities.

Connecting Realities

It was an exciting year for Connecting Realities, the memory support programming at The Ohio Masonic

Communities. This innovative programming has been evolving for several years, and with more pieces added in 2024, we have started to see the results we knew were possible.

Alzheimer's and dementia are progressive, degenerative conditions, marked by a steady decline in

cognitive ability and quality of life. But at The Ohio Masonic Communities, we know the right support can improve quality of life and foster connection.

Through our innovative Connecting Realities programming, we meet residents where they are, in their reality. We offer support, foster engagement, and create meaningful moments for our residents and their loved ones. This approach not only enhances daily life for individuals living with memory challenges, but our data shows it also helps slow the average rate of cognitive decline.

By honoring each person's lived experience, and nurturing connections with loved ones, Connecting Realities helps preserve what matters most. The joy and power of human connection.

Connecting Through Music

Now in its third year, our music therapy program stands as one of the four foundational pillars of our Connecting Realities philosophy. Its popularity has grown rapidly across all three of our campuses, bringing joy, connection and engagement to residents through the power of music.

Residents can engage in one-on-one sessions with a certified music therapist or participate in group experiences.

Some group sessions focus on lyric analysis and exploring the emotions experienced by music and sound, while others take a more active approach, like our vibrant drum circles.

No matter the format, the outcomes are consistent. Residents find meaningful opportunities to connect, reduce stress, and express themselves. Thanks to the generosity of our supporters during Giving Tuesday, we were able to provide a library of musical instruments at each campus, enhancing our residents' experiences.

A particularly moving part of our music therapy program is Silver Songbirds, our all-abilities choir that brings together residents with and without Alzheimer's or dementia. Their performances, featuring the classics, are awe inspiring and truly embody the spirit of Connecting Realities, fostering engagement, connection, meaningful moments, and shared joy through music.

MOVING FOR MUSIC THERAPY

When Virginia and her children made the decision that the time had come for her to move to senior living, they began looking for a place where she would thrive. As luck would have it, while her daughter was attending an Ohio Eastern Star convention, she spotted The Ohio Masonic Communities Resource Center display.

Two very important words caught her daughter's attention – music therapy. With Virginia's love of all types of music, her daughter called the resource center to discuss visiting Springfield Masonic Community to see if it would be a good fit.

With the help of a Community Outreach Coordinator with The Ohio Masonic Communities Resource Center, Virginia moved to Springfield Masonic Community. She instantly fell in love with her apartment, got to know her neighbors, and found music on campus. The Ohio Masonic Communities Resource Center was instrumental in helping Virginia thrive.

WATCHING AFTER OUR OWN

George Tilden and Ron Nockengost have known each other for many years as friends, coworkers, and Masonic Brothers. The two shared such a bond that, after Ron's wife passed away, George became Ron's Power of Attorney (POA) to make sure that he always received the help that he needed.

Ron had some health issues that led to a hospital stay, rehabilitation, and ultimately assisted living. The Ohio Masonic Communities Resource Center worked with George to sell Ron's home and organize his personal belongings. Ron had a sense of peace, knowing that he wasn't doing it alone. He could always turn to George and the resource center.

Now in independent living, he is happy, thriving, and enjoying life. Things that wouldn't be possible without George and The Ohio Masonic Communities Resource Center.

CAMPUS UPDATES:

BROWNING MASONIC COMMUNITY

After months of anticipation, renovations are finally complete in the Pathways Memory Support Neighborhood at Browning Masonic Community.

The renovations included new paint, flooring, lighting, furniture, and artwork.

One of the new additions is a movie theater style room complete with comfy chairs and fun popcorn buckets. There's also a music area with a piano and baskets of instruments, a reading area with cozy chairs and bookshelves overlooking

the courtyard, and an updated living room and dining room. Residents are enjoying not only the new spaces, but also the activities. Just another example of how our residents thrive.

Welcome, ShaDonna!

Browning Masonic Community was pleased to welcome ShaDonna Hadley as President. A Licensed Nursing Home Administrator (LNHA), ShaDonna has over seven years of experience in healthcare management. Prior to healthcare, ShaDonna worked in criminal justice, serving children and supporting families who needed assistance with custodial services.

SPRINGFIELD MASONIC COMMUNITY

The oldest and most established campus of The Ohio Masonic Communities, Springfield Masonic Community is a pillar of the Springfield community and Ohio Masons. Some of the buildings at the campus were originally built in the late 1800s. While changes have been made over the years, much of the infrastructure has become outdated and doesn't match the high quality of care the campus is known for providing.

We have the opportunity to reimagine what it looks like to care for residents at Springfield Masonic Community. Currently, we are in the planning stages for a repositioning and expansion project on a scale similar to the expansion project at Western Reserve Masonic Community.

WESTERN RESERVE MASONIC COMMUNITY

Expansion and renovations have been the focus of Western Reserve Masonic Community for over two years. The final phase of the \$49 million project was completed this year.

The first phase of the expansion included the new state-of-the-art healthcare center, luxury independent living apartments, and community spaces for everyone to enjoy. It also included updating and repurposing existing areas on campus, especially in the assisted living neighborhood, to create more exciting and usable spaces. The campus now features multiple restaurant-style dining rooms, a multipurpose room with a full kitchen, a chapel, a beauty parlor, and a movie theater.

As part of the multi-year renovations, the Pathways Memory Support Neighborhood also received some updates. New paint, flooring, lighting, artwork, and furniture transformed the entire neighborhood to be more relaxing and functional for the residents who call it home.

This year, the second half of the healthcare center was completed. In total, the new healthcare center has 50 private suites dedicated to short-term rehabilitation and long-term skilled nursing care, in addition to a state-of-the-art therapy gym. The opening of this space doesn't just signal the end of this multi-year project. It's the icing on the cake for the great reputation Western Reserve Masonic Community has in the community for helping residents thrive.

SUCCESS AND CELEBRATION

Wine, Women, and Shoes

A new partnership between Grand Lodge of Ohio, Eastern Star of Ohio, and The Ohio Masonic Communities Foundation, this inaugural event brought people together for a delectable brunch, an exquisite wine tasting, and a luxurious auction.

The Grand Dukes Golf Classic

A new golf course and new games, including an air canon, provided new challenges for the 100 golfers playing the field. Over \$100,000 in net proceeds was raised for memory support programs at The Ohio Masonic Communities.

Circle of Roses Dinners

The Ohio Masonic Communities Foundation hit the road with donor dinners across the state. Hosted at each of our campuses, the dinners were a chance to recognize our donors for their generosity and celebrate the good works they made possible.

The Rose Society Ball

Highly anticipated every year, the 2024 Rose Society Ball did not disappoint. 2024 Grand Duke and Duchess Ron and Elaine Connelly passed their crowns to our 2024 honorees, Gary and Shirley Nicholson. We are grateful for the dedication of both the Connelly's and Nicholson's, raising awareness and support for our mission.

Special People Reinvesting in Good (SPRIG)

Groups of residents and community members volunteer their time and talents as part of our SPRIG groups at Springfield Masonic Community and Browning Masonic Community. Combined, SPRIG I and SPRIG VI raised over \$19,000 in 2024! Their fundraising efforts included Festival of Trees at Browning Masonic Community, Festival of Wreaths at Springfield Masonic Community, selling football squares, a fashion show, and more. Each group chose how to invest the funds on their campus. So far, funds have been used for new grill equipment and patio furniture.
